8th April 2021

Dear Mr Sutherland

Ref Coul Links

Golspie Golf Club Management Committee, on behalf of the club, are very pleased to officially give their support, by an overwhelming majority, to Communities 4 Coul in their bid for planning permission for the environmentally sympathetic creation of Coul Links.

This is potentially a massive boost to our area in a time of uncertainty and fragility, especially for our young people.

We wish every success to Communities 4 Coul and look forward to working with Coul Links, playing our part in making the Dornoch Firth Seaboard the best and greenest golf destination in the world.

Yours sincerely

William Macbeath
Captain Golspie GC
