Dear Mr Sutherland

Coul Links

I am writing to you on behalf of Tain Golf Club's Committee of Management.

The Committee supported the initial Coul Links development proposal and very much welcomes the renewed initiative by Communities for Coul Limited to create another world class golf course on the Dornoch Firth seaboard.

The Committee endorses the community benefits and environmental impact assessment of the project as comprehensively set out in the C4C website.

We believe a second world class golf course in the area will encourage golfers to stay longer, seek accommodation locally and provide spin-off benefits to other Dornoch Firth seaboard golf clubs working collaboratively with Coul Links.

Yours sincerely

Peter Morgan
